ARIZONA CORPORATION COMMISSION

January 30, 2007

Dear Interested Party:

On January 24, 2007, Staff filed a Staff Report on Interconnection in Docket No. E-00000A-99-0431. In that report, Staff presented and described an Interconnection Document that was prepared after holding several workshops. Staff has recommended that the Commission adopt a modified version of the PURPA standard on interconnection that would apply to all electric distribution companies in Arizona that are regulated by the Commission. Staff has also recommended that the Commission direct Staff to begin a rulemaking process to convert the Interconnection Document into rules.

Staff encourages all interested parties to provide written comments on the Staff Report and Interconnection Document. Please file an original and 13 copies of comments with the Commission's Docket Control Center, 1200 West Washington Street, Phoenix, Arizona 85007 on or before February 21, 2007. Please reference Docket No. E-00000A-99-0431 on all comments. Staff appreciates the input of all interested parties in this matter.

If you have any questions, please contact Barbara Keene at (602) 542-0853.

Sincerely,

A handwritten signature in black ink, appearing to read "EG Johnson".
